Registration will continue as long as there is space available.

Preschool is for children 3 years and up. From exploring with magnets, to investigating what is inside a pumpkin to learning about bears, children of all abilities will delight in our hands on curriculum while developing their thinking and social skills.

Fabulous 4s is a class designed for kids who just miss the cut off or who will be delaying enrollment to Kindergarten. This class offers a subtle transition from preschool to PreK, giving this special bunch a special place in the world.

PreKindergarten is for children who will be attending Kindergarten the following year. In addition to our hands on Science and Math curriculum, greater emphasis is placed on letters and their sounds, numbers and counting, and other school readiness skills.

Children enrolling in **Kindergarten** must be 5 years old by October 15, 2010.

PreRegistration is for families currently enrolled at The Learning House. **Open Enrollment** is for families who are new to The Learning House or those who are not currently attending. Spots are awarded on a first come, first served basis. Once a class is full, children will be placed on a waiting list.

A \$50 deposit is due at registration. This deposit will be applied to your child's tuition. Deposits are non-refundable in the event your child does not attend The Learning House. No deposit is required for those placed on the waiting list.

A special note to PreKindergarten Families: Due to the high demand for AM PreK spots, please consider your family's needs and take afternoon spots if possible. This will leave the morning for children who cannot otherwise attend our school. Thank You!

Tuition Assistance is available for families in need attending Preschool, Fabulous Fours and PreKindergarten. Applications are available at the school and are evaluated by the Board of Directors as needed. All applications are confidential. Talk to Mary with any questions.
