## Who is The Learning House?

The Learning House is a unique nonprofit early childhood school! We serve children of all abilities between birth and age 8, their parents, and the professionals responsible for the care and education of young children. We offer infant/toddler therapeutic playgroups where parents stay and play and use a Math and Science based curriculum to promote critical thinking and problem solving skills in the early years. Our school is fully inclusive where children of all abilities learn side-by-side and how to accept others; regardless of how they look, act or talk. Also, all our programs are offered in a non-daycare setting; children come for 90 minutes or 2 hours, they learn, and then go home to further explore their world. Please visit [www.thelearninghouse.org](http://www.thelearninghouse.org) to learn more about us.

For more information on this great family event and to sign up as a sponsor, please call or email Ernie. Thank you for your time and we look forward to hearing from and working with you.

Sincerely,

The Learning House Family Carnival Committee
